A.S.A. XI v P.A.S.S.A. XI

The Socceroos jet in to Perth on Wednesday 23rd. November on the start of a five day stay which will culminate in a match against the W.A. State Team at Inglewood Soccer Ground on Saturday 26th.

The Australian team are on their way to Singapore where they are to play in the Merlin Tournament. No doubt the Australian coach, Les Scheinflug, will be using this first game to assess the ability of his players with a view to the compilation of his World Cup Squad for 1986. Who, if successful, will be playing in Mexico.

It may seem a long way to go to 1986, but the draw for the qualifying rounds will be made on December 7th.

What a competition to be involved in. During the World Cup 1982 Finals held in Spain from June 13th to July 11th, more than two million spectators watched the finals in the 17 stadiums spread over 14 cities and towns.

Nearly ten billion people (more than twice the world's population) followed the finals on television.

Should the Socceroos be able to reach that wonderful situation in 1986, Western Australia will be able to look back on the 26th November and say we were a part of that right from the start.

The Australian Squad is a strong one and should give the W.A. side a hard and tough game, although the State side with a successful Indonesian tour under their belts will not be over-awed in any way, also they will be off to Thailand to play in the prestigious King's Cup in December.

WESTERN AUSTRALIA

WILL BE MEETING ON SATURDAY 26th NOVEMBER:-

GLEN GIUDICI — (PERTH AZZURRI)-1

Brilliant Goalkeeper. Only 21 years of age. Recently played in Indonesia with distinction and has played in both the U/16's and U/19's State Teams with high recommendations from Ron Tindall.

DAVE ROXBY — (EAST FREMENTLE TRICOLORE)-2

Goalkeeper. Will celebrate his 29th birthday in Bangkok. Used to play for Sydney City so Soccerroo players will be nothing new to him.

RICKY DAVIS — (FLOREAT ATHENA)-3

Brilliant player either in midfield or defence. Stocky build, 24 years of age. Played in the South of England for Portsmouth and Basinstoke.

FRANK FARAONE — (PERTH AZZURRI)-4

Another brilliant youngster who has come through the local ranks. Nineteen years of age, he has spent a year with Jimmy Shoulder at the Institute of Sport in Canberra and played in the National Youth Team in Mexico.

STEVE GREEN — (WEST PERTH MACEDONIA)-5

Quietly spoken defender who is also Vice Captain of the team, played for several League Clubs in England. At 27 years of age he helped his team to League Championship and Top Four Cup victories this year.

STEVE TOMBIDES — (WEST PERTH MACEDONIA)-6

Resolute Central Defender. Played against Queens Park Rangers in 1983, another member of champion side, West Perth Macedonia. 23 years of age, only business commitments have kept him from more state honours.

PAUL TOMBIDES — (WEST PERTH MACEDONIA)-7

Twenty two year old, top scorer in W.A. in 1983, he was the Federation's nominee for Sportsman of the Year, his inclusion could cause some consternation to the Soccerroos.

JEFF LEWIS — (EAST FREMANTLE TRICOLORE)-8

Is a twenty four year old student. Plays in midfield, possessor of boundless energy, is still running after everyone else has stopped. Coupled with good soccer skills. The ability of this player is an asset to State and Club alike.

ERIC WILLIAMS — (SPEARWOOD DALMATINAC)-10

Has the ability of holding the ball and slowing the game down. A skill that was once thought dead, to see him with foot on ball 'A La Raich Carter' brings back nostalgic memories to older spectators. At twenty eight, he is one of the oldest players in the team.

RONNIE CAMPBELL — (WEST PERTH MACEDONIA)-11

Penalty king for his club but a dynamo in midfield from where he gets among the goals besides those he scores from the penalty spot. Born in Scotland twenty five years ago.

RENE' DEKONING — (BAYSWATER INTER) — 12

Born in Holland in 1963, this twenty year old striker has been a star in Junior State Teams, he is one of the few players belonging to a second division club who has gained senior state recognition. His club Bayswater Inter gained promotion to the State League this year.

FRANK McKAY — (EAST FREMANTLE TRICOLORE)-13

Came over from the Eastern States last year and their loss was our gain. He has been consistently among the goals for his club. He is at least a few years old which he seems shy to reveal.

DAVID KAMASZ — (SPEARWOOD DALMATINAC)-14

Alan Vest recommended this player to Spearwood Dalmatinac. They have never been disappointed in his displays. A winger of the old mould with speedy runs down the line and accurate crossing of the ball makes him a joy to watch. At twenty five, he is a classic in his field.

NORRIE SUTTON — (NORTH PERTH CROATIA)-15

If skill was a measurement of size, Norrie would be ten feet tall, this diminutive mid fielder or striker is a joy to watch on the field. He won the Rothmans Gold Medal last year in his first season in W.A. Soccer.

STEVE McCAFFREY — (INGLEWOOD KIEV)-16

Another player who shone in Indonesia, and managed to penetrate the defences to score the all important goals. Twenty seven years of age he is just about at his peak.

FRANK CLARK — (INGLEWOOD KIEV)-17

Twenty one year old striker looks almost languid in his approach, it is only when lect floundering on the ground that defenders realise how fast and how deceptive he is.

MATT PEARSON — CAPTAIN (SPEARWOOD DALMATINAC)

Has been dogged by injury for some time but now fully fit, he will show how he can lead a side by example. At 25 years of age he is a tower of strength in any side.
